

Project co-financed by the European
Regional Development Fund

4helix+

**Empowering the 4helix of MED maritime clusters through
an open source/knowledge sharing and community –
based approach in favour of MED blue growth**

**Call for Expression of Interest for allocation of Travel
Fiches to Knowledge Providers and SMEs/Start-ups
willing to participate in the Transnational Brokerage
event in Zadar (Croatia)**

Foreword

In line with the Interreg MED Programme priorities, and in particular with the objectives of the Axis 1-Innovation (specific objective 1.1), **4helix+ project** aims at stimulating, coaching and funding cross-sectoral and trans-boundary innovation of the MED key sector “Blue Growth”, which deserves to be better supported being an economic driver and a potential generator of development and jobs. Main change sought is to improve basic conditions for bridging the gap among the MED maritime clusters and within their co-working spaces, maker spaces, creative hubs, etc.

Main expected project results include:

- Upgraded cross-sectoral and trans-boundary RD&I attitude of the targeted 4helix+ MED area innovative maritime clusters key actors, primarily SMEs and Start-ups;
- Increased awareness and understanding among the involved 8 regional ecosystems (pilot territories)¹ about the competitive advantage of the Blue Growth through 4helix+ model and project results embedded into the regional RIS3 strategies of the 8 involved pilot territories;
- Increased capacity of the 4helix+ partners to implement and transfer a transnational cross-innovation action to support MED Blue Growth.

Core action of 4helix+ project is the **PILOT ACTION**, which will create a framework for funding and facilitating of knowledge transfer in the Mediterranean area, aiming at implementation of new products, services or business models of SMEs/Start-ups operating in both traditional and emerging Blue sectors, through the knowledge sharing and community-based approach.

The Pilot Action entails:

- 1) Preparation phase:** Scouting complementarities and future collaboration scenarios among the involved regional maritime clusters;
- 2) Realization phase:** setting up of an innovative open space platform, dedicated to the implementation of different project activities:
 - management of Knowledge Providers recruitment procedures (Eol);
 - launch of the transnational call for blue innovation project proposals to be awarded with vouchers;
 - coaching actions for project proposals applicants;
 - **brokerage activities;**
 - monitoring and final reporting of awarded projects;
 - Eol for allocation of travel funds to participate to project Brokerage Event and Blue Bootcamps;
 - matchmaking environment between Blue SMEs/Start-ups and Knowledge Providers;
 - face to face webinars;
 - ensuring sustainability of project actions in the long term;
- 3) External evaluation phase:** carried out by the External Evaluation Committee at the end of the project life cycle, by providing an external view of its overall performance, focusing in particular to the behavioural additionally effect.

¹ 1) Marche (Italy), 2) Central Macedonia (Greece), 3) Zadar County (Croatia), 4) Andalucia (Spain), 5) Lisbon Region (Portugal), 6) Durrës, Vlora, Saranda & Shengjilin coastal areas (Albania), 7) Catalunya (Spain), 8) Région Sud - Provence-Alpes-Côte d'Azur (France)

1. The Transnational Brokerage Event in Zadar

The Transnational Brokerage Event aims at providing an effective matching between Knowledge Providers (Research, Development and Innovation Bodies /RD&I Skilled Enterprises having specific expertise in the fields of Cultural and Creative Industries or Non Institutional New Innovation Agents such as fab labs, maker spaces, co – working spaces, living labs etc.) and SMEs / Start – ups operating in blue growth or blue economy sectors (fishing, aquaculture, coastal and maritime tourism, shipbuilding, blue biotechnologies, etc.).

During the one day event that will be organized by the Croatian Chamber of Economy – Zadar County Chamber, the 11th of April 2019, in Zadar, blue sector’s SMEs/Start-ups and Knowledge Providers already registered in 4helix+ “KP Gallery” https://4helix.unicam.it/approved_kp.php will have the opportunity to exchange ideas and explore collaboration opportunities while project partners and experts in blue growth/economy and innovation issues will coordinate meetings among the two categories of participants creating an environment favourable for cross-fertilization.

In particular, participants SMEs/Start-ups will be facilitated in finding suitable Knowledge Providers to collaborate with them in solving small innovation problems and possibly drafting innovative projects of new products/services/processes to be presented under the 4helix+ Call for Expression of Interest for Innovation Vouchers https://4helix.unicam.it/kp_voucher.php (see point 4).

Experts will further favour matchmaking between SMEs/Start-ups and Knowledge Providers through the on line system “MATCHMAKING ENVIRONMENT” hosted by 4helix+ portal “CYBERSPACE”.

2. OBJECTIVE OF THE CALL

The 4helix+ project is launching a **Call for Expressions of Interest (Call for Eoi) for allocating Travel Fiches (Funds) to maximum twenty four Knowledge Providers**, from all the eligible areas of the Programme MED (see table 1) and twenty one **Blue sector’s (see Annex1) SMEs/Start-ups**, located in any of the **Pilot Regions** (see table 2) willing to take part in the **Transnational Brokerage Event in Zadar**.

Travel fiches will be used for covering all reasonable travel, accommodation and other expenses of the selected Knowledge Providers and SMEs/Start-ups that will participate in the event. In particular, the funding covers travel expenses of three Knowledge Providers and three SMEs/Start-ups selected by each Pilot Project Partner (see table n.1 and n. 2).

All Knowledge Providers listed in the 4helix+ KP Gallery and blue SMEs/Start-ups from all Pilot Regions are invited to participate in the Transnational Brokerage event. Therefore, non-successful Travel Fiche applicants will have to participate at their own expenses. However, they should request the participation and have the official acceptance of the hosting partner (the Croatian Chamber of Economy) because of organization issues and limited capacity of facilities.

3. ELIGIBLE COSTS – TRAVEL FICHES REIMBURSEMENT POLICY

3.1 Eligible costs covered by Travel Fiches

Only costs incurred during the trip and related to the purpose of the trip are considered eligible.

Categories of eligible costs:

- Public transport tickets (plane, train, bus, and ferry) in economy class or equivalent
- Car: a) car rental (including fuel)
b) private car mileage calculated according to national rules

c) toll and parking fees

- Accommodation costs: hotel (including breakfast), other accommodation upon regular invoice.

The expenses have to be necessary and reasonable. For example, hotel costs should not exceed €150 per night.

Please note that during this two-days event lunch and dinner are included and will be offered and paid by the hosting Pilot Partner, therefore, own expenses on regards these meals will not be reimbursed.

3.2 Expenditure reimbursement policy

Each Knowledge Provider or SME/Start-up representative awarded with 4helix+ Travel Fiches will be reimbursed for all reasonable expenses actually paid or incurred for the participation to the Transnational Brokerage Event in Zadar up to the amount of €720. 4helix+ **Travel Fiche only covers international and non-local travelling fees.**

As regards Knowledge Providers, the reimbursement of the incurred costs shall be made by the 4helix+ Project Partner that is responsible for the Interreg MED Program eligible area where the selected Knowledge Provider has its legal seat or is authorized to render its professional activities (see Table 1).

As regards SMEs/Start-ups the reimbursement of the incurred costs shall be made by the 4helix+ Project Partner that is responsible for the Pilot Region where the selected SME/Start – up is located (see Table 2). The reimbursement will be issued upon the presentation of a Reimbursement Form provided by the Project Partner of reference, subject to presentation of adequate substantiation (proofs of expenditure), including receipts, invoices, tickets, boarding passes, bills, etc., **in original. The person who travels as a selected Knowledge Provider or SME/Start-up representative will have to keep all the invoices and receipts related to the Transnational Brokerage event travel and provide them during the reimbursement claim.**

A Pilot Project Partner may decide to arrange the trip for the Knowledge Provider and the SME/Start-up representative directly (by means of a travel agency) from the area of its responsibility (see tables 1 and 2); in such case, the travel and accommodation expenditures shall be borne directly by the Pilot Partner.

Two possible cases can be occurred:

- a. The travelling expenses are higher than €720. In this case the Project Partner of reference covers only up to €720 of the total costs.
- b. The travelling expenses are lower than €720. In this case the Project Partner of reference covers only as much as the sum of the travelling fees justified by the KP or the SME/start-up.

The selected Knowledge Providers and SMEs/Start-ups have to declare that they will attend on the Transnational Brokerage event in Zadar (e.g. as a reply of the notification e-mail).

In case of any changes regarding their participation (e.g. cancellation; fail to attend due to personal or business impediments, etc.) they have to indicate it to the Contact Persons.

If a Knowledge Provider or an SME/Start-up representative cannot attend the Transnational Brokerage event, her/his Travel Fiche will be assigned to the next best non-selected Applicant.

Interreg MED eligible areas per responsible pilot project partner are listed in the table below.

Applicants Knowledge Providers, before submitting their **Expression of Interest for the Transnational Brokerage Event Travel Fiches**, must have already been registered in the international **data base of**

Knowledge Providers of the project “4helix+ KP Gallery”. The registration of a Knowledge Provider in the Gallery is made after the **approval by the responsible project partner** of the relevant Application Form to be submitted in the framework of the **Call for Expression of Interest for Knowledge Providers**, which is published on 4helix+ web portal **CYBER SPACE** and it is accessible together with the text of the Call through the link https://4helix.unicam.it/kp_eol.php.

Applicants blue SMEs/Start-ups must be located in any of the following “Pilot Regions” (4helix+ Consortium partner regions) mentioned in the table below:

4. 4helix+ INNOVATION VOUCHER

Please be acknowledged that **Knowledge Providers** already registered in the Gallery will have also the opportunity **to be selected by blue sector SMEs/Start-ups** to jointly **draft and present innovation-driven project proposals to be awarded with 4helix+ Innovation Vouchers**. In the framework of 4helix+ Call for Innovation Vouchers, a total amount of 480.00,00€ will be allocated to at least 48 projects, for funding the coaching services provided by involved KPs, who will support the SMEs/Start-ups in identifying breakthrough solutions and engage in innovation process. The beneficiaries will be SMEs/ Start-ups operating in blue growth sectors (fishing, aquaculture, coastal and maritime tourism, shipbuilding, blue biotechnologies etc). After the evaluation, six (6) Innovation projects will be selected in each pilot region and granted with innovation Vouchers of 10.000€ each one. Selected innovative projects will need to be implemented within six months. After successful realization of each innovation project, the Knowledge Provider will be paid off for the amount reported on the Voucher by the pilot partner who is responsible for the territory (MED region) where the SME/ Start-up involved in the project is located.

The KPs will thus, support the implementation of an Innovation Voucher mechanism by coaching SMEs/ Start-ups from the Mediterranean Regions involved in the 4helix+ project activities and operating in the blue growth sectors, to generate new ideas, test new products, processes, services, business models and marketing strategies.

5. APPLICATION PROCEDURE and ELIGIBILITY CRITERIA

5.1 Application Procedure

Individuals or organisations' representatives, **already registered as Knowledge Providers in 4helix+ KP**

Gallery and SMEs/Start-ups located in Pilot Regions interested to be granted with **Travel Fiches** for participating to the **Transnational Brokerage Event** in Zadar should access, fill in the **information requested** and submit the relevant **online Application Form together with the Declaration of the Applicant** available on 4helix+ **“CYBER SPACE”** by clicking on the link: https://4helix.unicam.it/kp_fiches.php.

SMEs / Start-ups must submit (upload) together with the Application Form and the Declaration of the Applicant the following documents:

- a) A scanned copy of an official document (E.g. a printout of the relevant Tax authority reporting NACE codes) proving that at least one of applicant’s economic activities belongs to blue growth / blue economy sectors reported in Annex 12 (in original language).
- b) CV/Company Resume in English.

5.2 Eligibility criteria

All applicants must fulfil ALL the general eligibility criteria mentioned below:

- Applications must be drawn up in English (applications in other languages will not be accepted).
- Applicants must be at least eighteen (18) years old at the moment of submission of the Application Form
- Applicants must be fluent in English

Knowledge Providers must fulfil also the following specific criteria:

- Applicants must be individuals or representatives of companies/organizations already registered and accepted in the 4helix+ Knowledge Providers Gallery.

Blue SMEs /Start-ups must fulfil also the following specific criteria:

Applicants should be representatives of Micro, Small and Medium sized enterprises according to the definition and classification reported in ANNEX I of the Commission Regulation (EU) No 651/2014 ² and Start – ups³:

- With the head of an operative registered office located in one of the *4helix+* pilot regions (see table 2)
- Having an independent legal status (consortiums will be excluded)
- Operating in at least one of the blue growth/blue economy sectors reported in Annex 1

5.1 Evaluation of the Applications

² According to Commission Regulation (EU) NO 651/2014 (ANNEX I), an enterprise is considered to be any entity engaged in an economic activity, irrespective of its legal form. This includes, in particular, self employed persons and family businesses engaged in craft or other activities, and partnerships or associations **regularly** engaged in an economic activity. SME’s are classified as Micro, Small or Medium Enterprises, according to EU No 651/2014 definition, as follows:

SME CATEGORY	MEDIUMSMALL	MICRO	
Staff Headcount:	<250	<50	<10
Turnover:	<50M€	<10M€	<2M€
Balance Sheet Total:	<43M€	<10M€	<2M€

The data to apply to the headcount of staff and the financial amounts are those related to the latest approved accounting period and calculated on an annual basis.

³ A start-up is considered, under this Call, an SME established during the years 2018 and 2019 (including also enterprises established the day before the publication of the Call) and according to the specific National Legislation of each pilot project partner.

As regards Knowledge Providers, each application will be evaluated by the pilot project partner who is responsible for the specific Interreg MED eligible area (see table 1) in which the Knowledge Provider has its legal seat or is authorized to render professional services, according to the following criteria:

- 1) The motivation for participating in the Transnational Brokerage event
- 2) The expectations from the participation in the Transnational Brokerage event
- 3) The willingness of active participation (Experience/skills presentation – participations in meetings with Blue SMEs/Start-ups
- 4) The knowledge of English

As regards Blue SMEs /Start-ups:

- 1) The motivation for participating in the Transnational Brokerage event
- 2) The expectations from the participation in the Transnational Brokerage event
- 3) The willingness of active participation (Identification of a company's innovation need – participation in meetings with Knowledge Providers)
- 4) The knowledge of English

Applicants will be notified about evaluation results by e-mail. In particular, the selected Knowledge Providers and SMEs / Start-ups will receive a notice of acceptance of their applications by responsible Project Partners. The final agenda of the event will be sent to them in due time.

6. DEADLINE FOR APPLICATIONS

Interested individuals or organizations already registered in 4helix+ Knowledge Providers Gallery and blue SMEs/Start-ups must submit their Expression of Interest (on line Application Form and accompanying documents) for the Transnational Brokerage Event Travel Fiches **by the 27 of March 2019 at midnight CET.**

7. PRIVACY AND DISCLAIMER

9.1 Privacy

The person applying for the Transnational Brokerage Event Travel Fiches and undersigning the Applicant's Declaration gives its permission to 4helix+ partners to process the data given only for management (including publishing of general information) and statistic purposes even through digital devices with respect of the security and privacy within the law. In particular, data processing by 4helix+ Project Partners will be made in accordance with the provisions of Regulation (EU) 2016/679 and the subsequent transposing laws (jointly, the "GDPR"). The realization of the project implies processing of the following personal data: name of the organization, address, VAT number, telephone number, e-mail, web site, name of the legal representative of the organization, surname, position, telephone number, e-mail, name of the person interested to participate in the Blue Boot camp, surname, position, telephone number, e-mail. During project's implementation personal data will be processed exclusively by persons authorized by project partners. As an interested party the applicant can require from the responsible Pilot Partner to exercise the rights described in the art. 15 of GDPR and in particular: access to relevant personal data rectification, integration, deletion, limitation of processing that concerns them or to oppose

their processing. Pursuant to art. 17, paragraph 3, let. d), the right to cancellation does not exist for data which must be processed for the purposes of scientific research if the objective of the research itself cannot be obtained without them.

9.2 Disclaimer

The EU Interreg MED Programme makes no representation, warranty or undertaking of any kind in relation to the accuracy or completeness of any Information.

The EU Interreg MED Programme will not be liable or responsible to any person in relation to any inaccuracy, error, omission or misleading statements contained in the Information.

The EU Interreg MED Programme will not be liable or responsible to any person in relation to any failure to inform any person of inaccuracy, error, omission or misleading statement contained in such Information of which it becomes aware after the date of release of that Information.

The EU Interreg MED Programme shall not be liable to any person for any damages, losses, costs, liabilities or expenses of any kind which it may suffer as a consequence of relying upon such Information.

Under no circumstances will the EU Interreg MED Programme be liable for any costs or expenses borne by applicants in this process.
